Ms. Cantin,

Your original email (below) acknowledged the December 21, 2010 notice letter that we sent to Lexington Insurance Company on behalf of Kaiser Gypsum Company, Inc (Kaiser Gypsum). We also sent separate notice letters (attached) on that same date to three other excess insurers that are represented by Chartis: ISOP, Landmark Insurance Company, and Granite State Insurance Company. We have not yet received acknowledgement of those notice letters. Can you please acknowledge the notices?

We also sent notice letters dated December 22, 2010 on behalf of Kaiser Cement Corporation (Kaiser Cement) to Lexington, ICSOP, Landmark, and Granite State. We have received acknowledgement of those notice letters by letter dated February 28, 2010 from Ms. Litman (attached). Kaiser Gypsum and Kaiser Cement are separate legal entities that owned and operated facilities at different locations on the Lower Duwamish Waterway and received separate Section 104(e) information requests from the EPA. The two entities have separately responded to EPA's information request and continue to incur separate and distinct defense costs. The claims tendered to the insurers by Kaiser Cement and Kaiser Gypsum are separate and distinct claims for coverage under the relevant policies.

Thank you for your help with this.

It serves as an acknowledgement that we have received your notice. We create the first leading claim number and assign an adjuster. The adjuster will check the other policies noticed and then request additional claim numbers if needed. The adjuster assign to this loss is Maria Litman in the environmental Department. She can be reached at (201) 631-7294.

Hope this helps,
Diana Cantin.

*s. Cantin,

Thank you for acknowledging receipt of the notice of claim we sent on behalf of Kaiser Cement Company related to the Lower Duwamish Superfund Site. I noted in your response that you refer to only one of the four Lexington Insurance Company policies we referenced in our letter dated December 21, 2010. Does your e-mail acknowledge receipt of the claim against only this one policy or does it serve as acknowledgement of the claims asserted against each of the four Lexington policies identified in our December 21, 2010 letter?

Thank you for clarifying this for me.

Steve
